General Camp Rules

Michindoh endeavors to create an environment conducive to nurturing youth. Every moment of camp is vital to our mission and we preciously guard every hour with each camper. To accomplish the core purpose of our camping program, Michindoh will enforce the following:

- * Leaving camp causes unnecessary distractions to the program and is discouraged. Parents/Guardian must contact the Program Administrator in advance for exceptions and a written authorization.
- * Visits from friends/relatives will not be permitted.
- * Campers are under the authority of the camp staff during their stay at camp.
- * Campers are expected to conduct themselves in an appropriate manner at all times.
- * Campers will not bring onto the grounds nor use anything which will pollute mind or body (alcohol, tobacco, marijuana, or other controlled substances).
- * **Campers will conform to the camp dress code.**
 - * No halter tops, tube tops or bare midriffs. Shorts are to be finger-tip length or longer.
 - * Modest swimwear: Swimsuits for girls should fully cover the buttocks and torso/breast. Please no speedos for boys or bikinis for girls (Modest tankinis are fine).
 - * Play clothes should be worn most of the day.
 - * Footwear must be worn to and from all activities. Closed-toe shoes may be required for some activities.

Campers should understand that violation of camp rules may result in the contact of parents/guardians with the possibility of being sent home.

Tent/Cabin Mate Requests

For Day Camp, if you would like your child to be in the same group as a friend, you do so by adding a “Tent/Cabin Mate” during online registration. Tent/Cabin mate requests should be made at least 2 weeks prior to camp. You can do this on line or you can call in to the office and speak to the registrar at 517-523-3616. We make every effort to honor tent/cabin mate requests. Changes to tent/cabin assignments cannot be made or changed on the day of arrival.
