

Michindoh Summer Camp Scholarship Application

At Michindoh, it is our desire that no one misses out on a week of Summer Camp due to a lack of finances. We do our best to offer an affordable summer camp experience in order to make camp financially attainable. However, we are also aware that there are circumstances and situations that can put financial burdens on families, making a week of summer camp financially out of reach for them. That is why we offer need-based scholarships to campers who cannot afford to attend camp otherwise.

Who can apply? Any camper/family with a financial need may apply for a scholarship. Scholarships are limited, so we want to apply these funds where they are most needed. They are not meant to be used for campers who are already attending other sessions of camp, whether that is at Michindoh or another camp. These scholarships are intended to help children who would otherwise not be able to afford camp.

How much will the scholarship be? Since our scholarships are need-based, YOU will help us to determine how much of a scholarship you need. Most families have the ability to pay at least a portion of the cost for camp. Some families may attend a church that already has a program in place to offer summer camp scholarships to their parishioners and would be willing to partner with Michindoh. Some campers have other family members, like Grandparents or Aunts and Uncles, who would like to offer assistance for camp. We ask that you take a look at your resources and determine the amount of your need. We work hard to keep camp affordable for everyone and desire to make scholarship resources available to families who cannot afford camp for their children. Please help us provide this opportunity to as many children as possible by only requesting what is needed.
