Marriage Enrichment RETREAT

MICHINDOH
Retreat Center

MEET THE SPEAKERS

Pastor Josh and Sara Good

We are pleased to welcome the Goods back to speak at Marriage Enrichment Retreat!

It has been 5 years since the Goods have served as retreat speakers at Michindoh and many things have changed for them. They have gone from having 3 teenagers, to having 3 grown children, a son-in-law, and their first grandchild.

Josh currently serves the Hillsdale United Brethren Church where he is the lead pastor. He and his wife, Sara, have worked together to build Christ's church for more than 25 years in Indiana, Florida, and Michigan. Sara's compassion for others and magnetic personality encourages and draws people into community. Josh's passion for teaching Scripture guides disciples desiring a deeper walk with Christ and healthier relationships with others. During our 2026 retreat, they will use their combined gifts to share with us from God's Word, and from their 28 years of life together, some of the lessons they've learned about being each other's "Mr. & Mrs. Right".

We look forward to sharing this fun and encouraging weekend with you!

WHAT TO EXPECT

Escape with your spouse and invest in the most meaningful earthly relationship God has given – your marriage. This weekend is designed to be both refreshing and uplifting, filled with opportunities to play, worship, laugh, and learn together.

- ✦ Connect with other couples, whether newly married or seasoned by years of experience.
- ✦ Enjoy an elegant, nautical-themed banquet with live music.
- ✦ Savor uninterrupted time away with your spouse, free from the demands of home and work.

Ephesians 5:21-33 describes marriage as a beautiful picture of the relationship between Christ and the Church. Our desire is to equip you to become the most radiant image bearers you can be in your marriage.

BANQUET MUSIC Kelly and Darryl Roenicke

The violin and piano duo from Rochester Hills will perform a variety of classical pieces, worship music, works by women composers, African American composers, and composers from present day at our Saturday evening banquet.
