## Our Speaker

We are excited to welcome back Dr. Nicholas Phillips as our 2025 Marriage Enrichment Retreat speaker. Dr. Phillips holds a doctorate in marriage and family, as well as masters degrees in counseling and chaplaincy. He and his wife, Carol, have been married for 41 years. They have 4 married children and 7 grandchildren.

Nick is passionate about helping couples find the fullness of love they were created to encounter with each other. He believes that love is worth working for in building a lasting bond with your life partner. He gives couples expert guidance and practical applications in a comfortable and encouraging environment. He will help us learn to hit the mark in loving our spouses and safe-guarding our marriages. Nick will also make himself available for a few one-on-one counseling sessions during the weekend. Plan to join us for this fun and enriching weekend!

## About our Retreat

The Michindoh Marriage Enrichment retreat is designed to be a place where you can get away with your spouse and invest in the most intimate earthly relationship you can have. We try to cultivate an environment that is both fun and uplifting by providing opportunities to play, worship, laugh, and learn together. You will have the opportunity to meet other couples, both young and old, and/or take some time with just your spouse without all the distractions of home and work.

In Ephesians 5:21-33, we see marriage described as a beautiful picture of the relationship between Christ and the Church. It is our desire to encourage you in the endeavor of becoming the most beautiful image bearers you can be in your marriage.

## Banquet Music

You Jazz lovers will enjoy this year's music performed by the Hillsdale College Jazz Ensemble "Schizomatics." These young musicians will treat us to a variety of songs while we enjoy our banquet meal on Saturday.
