- * Campers should arrive within two hours after camper registration begins.
- * Leaving camp causes unnecessary distractions to the program and is discouraged. Parents/Guardian must contact the Program Administrator in advance for exceptions and a written authorization.
- * Visits from friends/relatives will not be permitted.
- * Campers are under the authority of the camp staff during their stay at camp.
- * Campers are expected to conduct themselves in an appropriate manner at all times.
- * Campers will not bring onto the grounds nor use anything which will pollute mind or body (alcohol, tobacco, marijuana, or other controlled substances).
- * **Campers will conform to the camp dress code.**
 - * No halter tops, tube tops or bare midriffs. Shorts are to be finger-tip length or longer.

 - * Footwear must be worn to and from all activities. Closed-toe shoes may be required for some activities.

Campers should understand that violation of camp rules may result in the contact of parents/guardians with possibility of being sent home.
